

Department of Pharmacology

Research and Publication

Sl.No.	Name & Designation	2020-21	2021-22	2022-23
1	Dr Shobha Kamble Professor & HoD	-	1. Geetha S, Kamble S and Ahmed Z M. Evaluation of knowledge, attitude and practice of rational use of medicines among clinicians in a tertiary care teaching hospital. International journal of pharmacology research. 2021;11(1):30-34.	1. Kamble S, Geetha S and Patil D. A prospective, questionnaire-based study to evaluate the knowledge, attitude and practice of rational use of antibiotics among clinical practitioners in a tertiary care hospital. National journal of physiology, pharmacy and pharmacology. 2022;12(10):1-4. 2. Raju KS, Geetha S, Kamble S. A prospective, observational study of the spontaneous reporting patterns of adverse drug reactions in a tertiary care teaching hospital. Journal of pharmacology and pharmacotherapeutics. 2022;13(3):272-7.
2	Dr Leena A Associate Professor	-	-	1. Impact of a mental health awareness program on knowledge, attitude and perceptions about mental health disorders among medical students. National journal of physiology pharmacy and pharmacology 2022;12(11) 2. Patterns causality severity and preventability of adverse drug reactions: An observational study at a tertiary health care centre National journal of physiology, pharmacy and pharmacology 2022; 12(12)
3	Dr Geetha S Assistant Professor	-	1. Geetha S, Kamble S and Ahmed Z M. Evaluation of knowledge, attitude and practice of rational use of medicines among clinicians in a tertiary care teaching hospital.	1. Kamble S, Geetha S and Patil D. A prospective, questionnaire-based study to evaluate the knowledge, attitude and practice of rational use of antibiotics among clinical practitioners in a tertiary care hospital. National
