

World Health Day 2024 – Quiz Contest

In view to mark **World Health Day 2024**, **Department of Community Medicine** conducted a **Nationwide Quiz** under the aegis of Indian Association of Preventive & Social Medicine. The Quiz was conducted in two rounds.

Preliminary Round/ Elimination Round

The students of Phase III Part I & II were encouraged to participate in the quiz. Totally **134 students** had registered for the quiz out of which 124 participated consisting of **42 teams**. The Preliminary round of the quiz was conducted **on 2nd April 2024**. Top four teams

were selected for final round quiz; three teams from 3rd year & one team from 4th year were qualified for the final round quiz.

Final Round Quiz:

The College level **final round quiz** was conducted **on 8/04/2024** from 9:30am to 11.30 am. The final round quiz had various rounds of questions, like single direct answer, visual round, MCQ round & rapid fire round and an interactive audience question after each round of quiz. The winners from the audience were appreciated by giving them gifts. After the entire rounds, we had a winner, the scores were a tie for 2nd & 3rd place. So tie breaker round was done to decide the runners up.

The program was conducted in presence of Dr.Rajeshwari, Medical Adviser of EPCMSRC, Dr.Prem Kumar, Dean & Director, Dr.Prabhakar- Principal, Dr. Narendra Datti - Medical Superintendent of EPCMSRC. They all appreciated the students for active participation and encouraged them to be more active in all such activities in future. This was followed by distribution of prize for the winner and runners up. Certification of merit was given for all the participants. The quiz was well appreciated among the students & quiz participants. They urged to conduct many such quiz's which provides them Different perceptive of learning.

Miss Sinchana Miss Sakshi B & Miss Nisarga of 4th year MBBS **emerged as Winners**

Mr. Vikesh & Mr. Hithesh V of 3rd year MBBS were **Runners up**

The entire program was **co-ordinated by Dr. Harish**, Asst. Professor, under the guidance of Dr.Deepa LN, Professor & Head, Department of Community Medicine. All the staff of department of Community Medicine contributed for the success of the quiz.
